WHO WE ARE

BOBINA VERDE is an independent film production company that focuses on developing original and creative projects in fantastic genre .

Filmmaker David Chamizo and Producer Antonio Moyano joined their efforts to create an alternative within the Andalusian, Spanish and European audiovisual landscape , constantly seeking to renew and at the same time pay tribute to fantasy genre.

Currently, Bobina Verde is post-producing its first feature film MALDITA VENGANZA aka BLOODY REVENGE. A product that seeks to challenge the formats conventionally made in Spain, but without forgetting important values from our country, such as environments and locations that are not found elsewhere in the world.

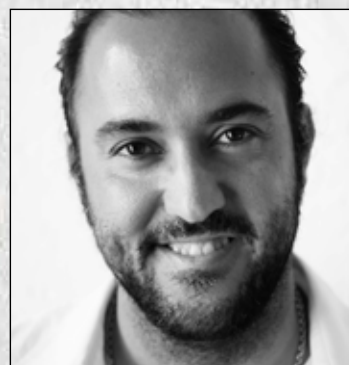

This film, which is shot in 4K RAW, will be one of the first European films distributed BluRay UHD (Ultra High Definition). Theatrical release is expected in the spring of 2014, after visiting some of the major national and international festivals.

David Chamizo is a well-known professional of the Andalusian audiovisual sector, with over 20 years of experience as editor of AVID and Director. He has also developed his role as a teacher both in companies and in universities and belongs to a group of experts working with the AVA foundation.

Antonio Moyano has an established international track record of over 15 years in the business world, especially in Media and Communication sectors. He has spent most of his career in the areas of business development, sales and project management in Europe, Latin America and Africa.
